MM Docket No. _____

In re)
)
Amendment of Section 73.202 (b)) RM-
Table of Allotments)
FM Broadcast Stations)
(DeRuyter and Chittenango, NY))

RECEIVED
SEP 12 1991
FCC MAIL ROOM

To: The Chief, Allocations Branch

PETITION FOR RULEMAKING

CRAM COMMUNICATIONS, LLC ("petitioner"), by its counsel, pursuant to
Section 1.401 of the Rules and Regulations of the Federal Communications
Commission, respectfully requests the Commission to institute a rulemaking proceeding
to amend the FM Table of Allotments as follows:

Channel No.

<u>City</u>	<u>Present</u>	<u>Proposed</u>
DeRuyter, NY	286B	----
Chittenango, NY	----	286B

Proposal of the Petitioner

1. The petitioner is the licensee of FM broadcast station WVOA, DeRuyter, NY.
It desires to change its community of license to Chittenango. Thus, the instant petition for
rulemaking.

2. Attached hereto as Exhibit 1 is a contour map depicting the WVOA city-grade
(70 dBu) contour. As indicated, Chittenango is located within the existing city-grade

contour of WVOA. No change in technical facilities is proposed in this rule-making. Therefore, there will be no loss or gain in service. No allocation study is required since no change in facilities is proposed. The sole issue before the Commission is whether the reallocation of the channel from DeRuyter to Chittenango would result in a preferential arrangement of allotments consistent with the *Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1992).

3. Chittenango is located in upstate New York approximately 30 km north of DeRuyter, the existing community of license. Section 1.420(i) of the Commission's Rules provides:

- (i) In the course of the rulemaking proceeding to amend §73.202(b) or §73.606(b), the Commission may modify the license or permit of an FM or television broadcast station to specify a new community of license where the amended allotment would be mutually exclusive with the licensee's or permittee's present assignment.

Since Chittenango is within the city-grade contour of WVOA, Section 1.420(i) applies, and the WVOA license may be modified in accordance with this rule without the opportunity for any other applicant to apply.

4. The petitioner is a duly organized limited liability company comprised solely of United States citizens. If the requested petition is acted upon favorably, and assigned to Chittenango, petitioner will apply for the authorization to move WVOA to Chittenango.

Comparison of Communities

5. Chittenango is a community listed in the 1990 Census with a population of 4,734. It is the hub of the Town of Sullivan whose population is 14,622. In contrast the village of DeRuyter has a population of only 568. Over the twenty year period from 1970 through 1990, Chittenango's population went from 3,605 to 4,734 – a 31.3% increase. In

contrast DeRuyter's population dropped from 643 to 568 – a 14.5% decrease. Attached hereto as Exhibit 2 is a compilation of demographic data respecting the communities. This data illustrates the fact that Chittenango is a far more substantial community than DeRuyter with a far greater population and services.

6. There are no commercial broadcast facilities licensed to Chittenango. The reallocation proposed herein would provide a first local aural transmission service to the substantially larger community of Chittenango. Accordingly, the proposed rulemaking would be in accord with the Commission's proposal in *Chatom and Grove Hill, Alabama*, DA 97-342, released February 21, 1997. Further, Chittenango is not in an urbanized area, and the station will continue to provide coverage to DeRuyter, factors which further demonstrate that the proposed move is in accord with Commission precedent. *Georgetown and Garden City, South Carolina*, Report and Order, released September 5, 1997, DA-97-1887, at para. 4.

WHEREFORE THE PREMISES CONSIDERED, it is respectfully requested that the Commission initiate a rulemaking proceeding as proposed hereinabove.

Respectfully submitted,

Law Offices

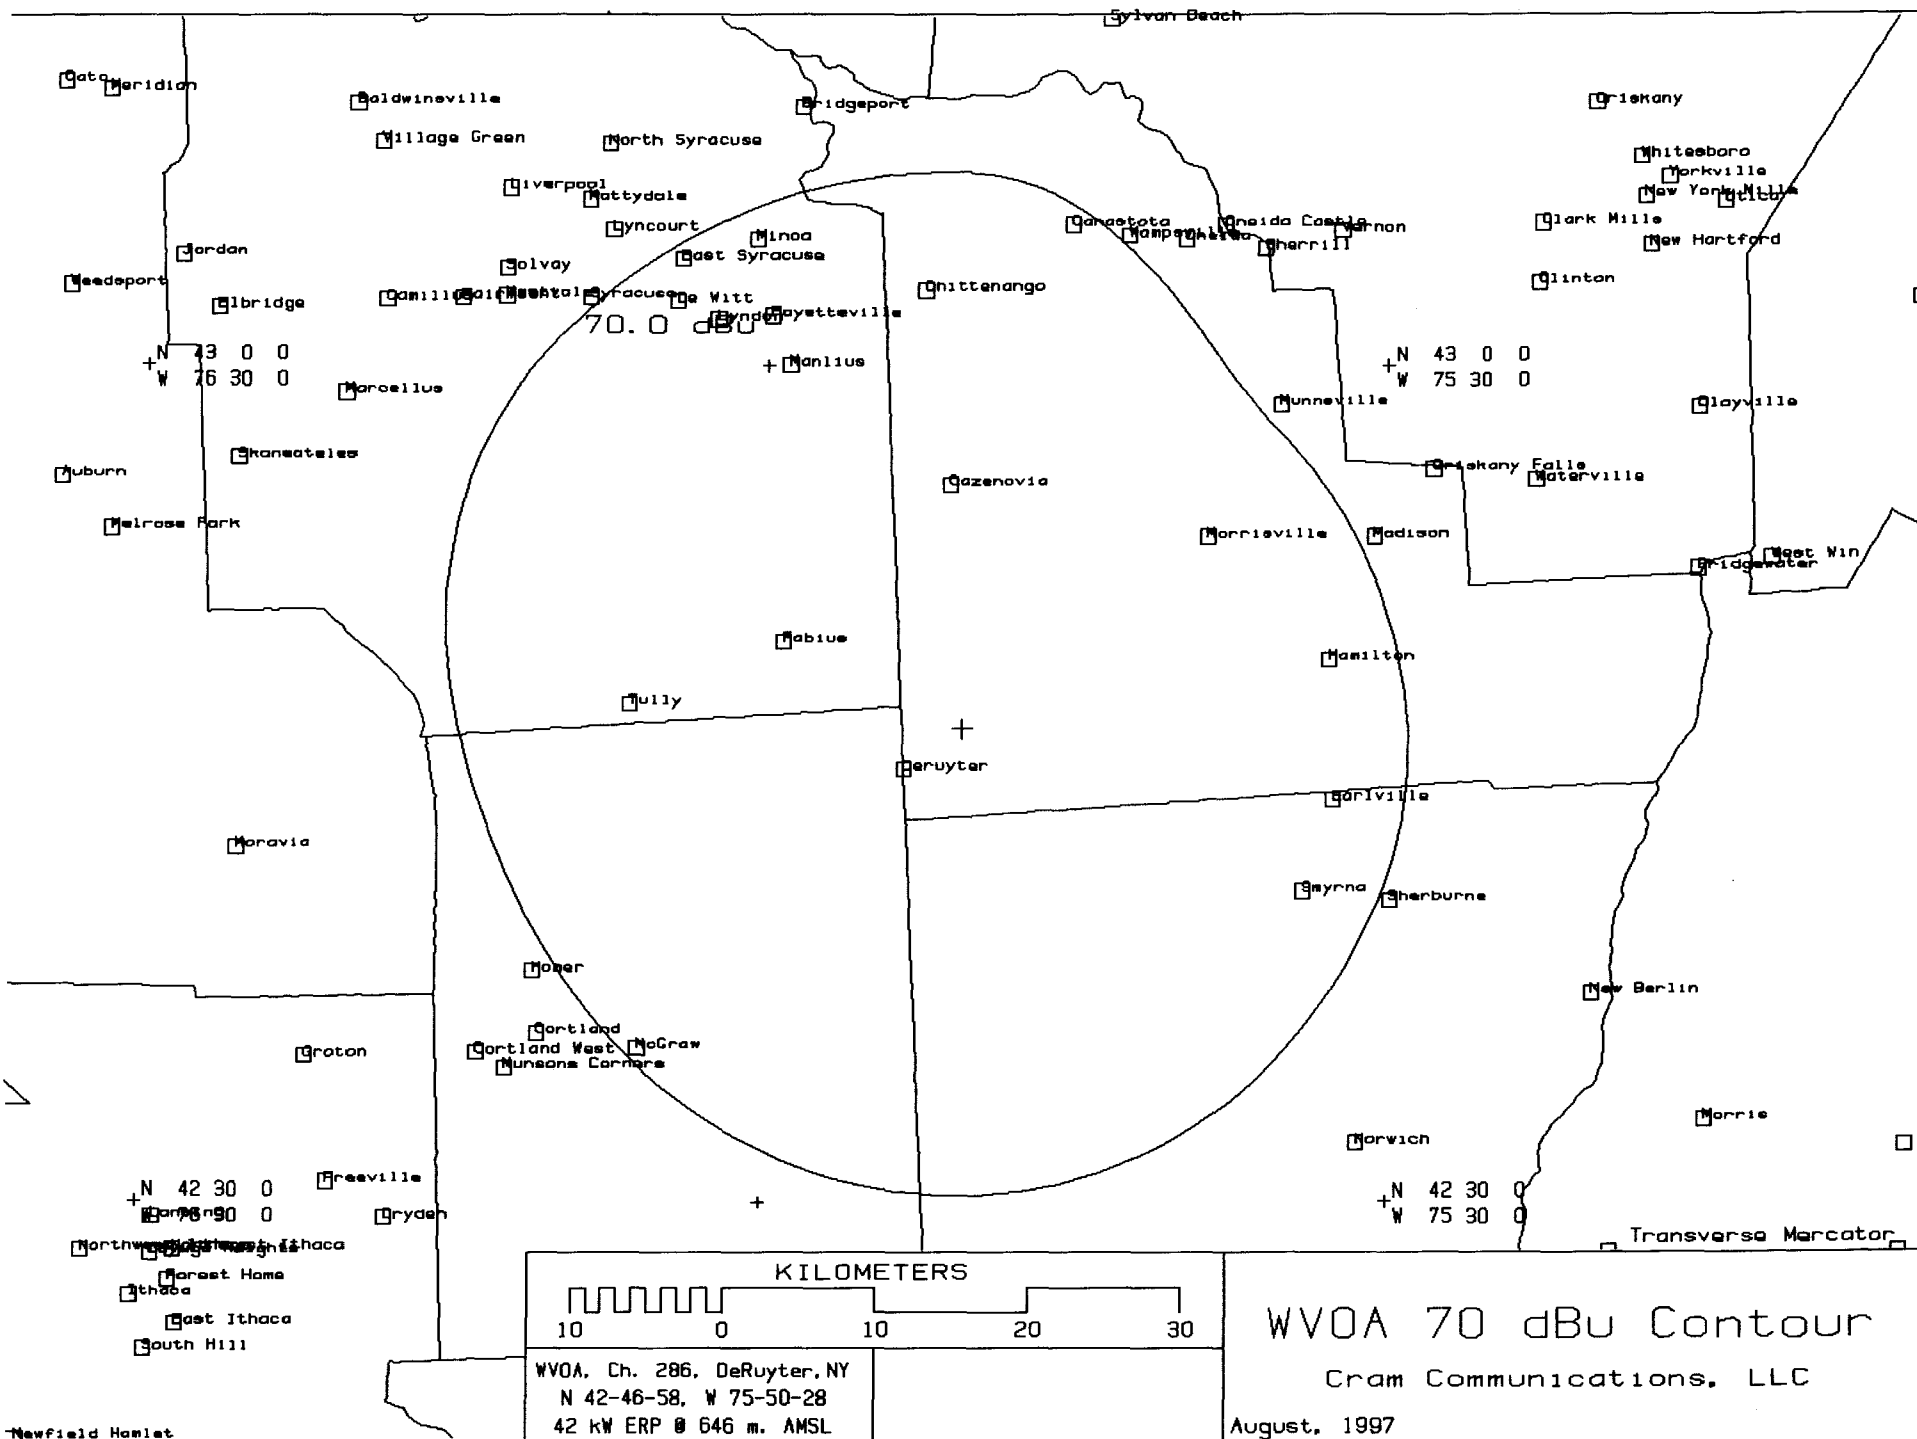

Exhibit 2

Demographic Data

Village of DeRuyter

Population of the Village of DeRuyter is 550 and the Town of DeRuyter is 1,400. It is a supportive Village for the surrounding Farming Community but has not seen any recent growth.

Although there is a grocery store, convenience and general store, bank branch office and a couple of small restaurants - most will travel to Cortland or Syracuse for major purchases.

The DeRuyter Central School systems is the major employer and has a student population of 400. They have recently completed a 4.9 million dollar renovation project. The major improvement is the addition of a second floor wing of classrooms, Library/Media center and expanding the cafeteria.

The other major employers are Agway which supplies the farming community which has approximately 15 employees and DeRuyter textile has 12 employees.

Due to its location in a remote area of Route 13 between Cortland and Cazenovia there seems little prospect for growth in a sparsely populated area. Because Route 81 is at Cortland and Route 20 at Cazenovia is siphons off traffic that once used that section of Route 13.

Village of Chittenango, New York

A bustling community at the intersections of Route 5 + 13. It is located 15 miles from Syracuse - 13 miles from Cazenovia and 8 miles from Manlius/Fayetteville. It also has good access to the New York State Thruway of approximately 12 miles in either Exit 34 West or 34A East and 12 miles to Route 481 and 81.

The Village population is 4,734 and is the hub of the Town of Sullivan whose population is 14,622. The new modern Town of Sullivan offices and Park and Recreational Department are located in North Chittenango a short distance from the Village limits. Population is from the 1990 census and there has been an approximate 10% increase in the Village.

The Village of Chittenango is a busy growing community with new homes, sub-divisions, condominiums in organized zoned areas. New banks, stores, major restaurants chains are complimented by established community businesses, law and medical offices.

While Chittenango is considered partly a bedroom community for Syracuse and Utica it is much more than that. It has its own major industry which is Gray-Syracuse with its modern plant and offices headquartered in Chittenango. Gray-Syracuse manufactures Investment Castings. It is a 58,000 square foot plant that has 422 employees.

The Chittenango Central School with a student population of 2,800 is considered among the best. They are in the process of a 15 million dollar renovation project that includes state of the art laboratories.

Among its residents Chittenango has many professionals such as Lawyers, Doctors, Business Executives and University Professors. They are drawn to Chittenango by its school system, parks and recreational system and living in a country atmosphere while having close access to Syracuse and Utica's facilities.

Additional Information on Chittenango

OZ FEST

Chittenango is the birthplace of L. Frank Baum the author of the Wizard of Oz books. When entering the business section on Genesee Street you notice yellow brick sidewalks on both sides of the street symbolizing the Yellow Brick road in the 1939 Wizard of Oz movie which starred Judy Garland.

There is a restaurant named "Aunt Ems" and the "Oz Cream" ice cream parlor and gift shops that advertise oz souvenirs.

The Oz Fest is a major event yearly in Chittenango and draws an average of 25,000 for weekend festivities. A major attraction are the Munchkins from the original 1939 movie. One of the Oz Fest directors Colleen Zimmer who also works with the Oz Foundation says "We are the only festival to bring them all in".

Friday night there is a spaghetti dinner with the Munchkins that is open to the public. Followed by an autograph session and a program put on by the Munchkins on what it was like to be in the movie. This is followed by another free program of old seldom seen movies.

On Saturday there is costume judging where hundreds of young people are judged in various costumes from characters in the movie - Dorothy - the Tin Man - the Wizard etc.... They then are in the first unit of the parade which follows.

The parade itself is 100 units and of course has the Munchkins as a main attraction. The 1996 parade Grand Marshall was an 88 year old niece of Baum's who still lives in Chittenango. For 1998 the parade will be the first weekend in June to take advantage of warmer weather.

The Oz Festival is a large tourist attraction and brings many people to Central New York for the first time.

PARKS AND RECREATIONAL FACILITIES

The Town of Sullivan Parks and Recreation Department is located in N. Chittenango with a modern spacious building.

The Sullivan Community Parks - Lake Street, Chittenango is a full service park open year round. The Park has 3 public tennis courts with recreational leagues and swimming as well as 2 ball fields and 2 soccer fields. There are instructors for tennis, swimming, youth activities. Fishing is allowed in the park pond April through September. The Chittenango Landing Canal Boat Museum is a unique display of what life was like on the old Erie Canal. This is a main attraction for tourists and local residents with picnic area and facilities.

Chittenango Falls State Park. Both tourists and area residents enjoy the spectacular beauty of Chittenango Falls. If your camping out or just comeing for a picnic you can't help but enjoy your self at the Chittenango Falls State Park.

A guide to this community we call home

Whether you have lived here forever or are new to the area, The Chittenango-Bridgeport Times welcomes you!

We're taking this opportunity to introduce ourselves while providing a wealth of information that you will want to keep at your fingertips during the coming year.

As your community newspaper, the *Chittenango-Bridgeport Times* is offering this directory to answer questions we hear all the time about governmental agencies, organizations and services available.

We may have missed someone you know about. If so, please call Pete Anderson, editor, at 687-3887. This directory is published each fall and is updated at that time.

This is just one area where the *Chittenango-Bridgeport Times* serves this community. To learn more about the newspaper, to place a story or to begin a subscription, call 687-3887.

If you are interested in placing an advertisement, call Becky Cooper at 687-3887.

The *Chittenango-Bridgeport Times* brings the news of your hometown to you each week. Whether you are interested in local government, events in the area, local sports or a wealth of other information, the *Chittenango-Bridgeport Times* is sure to be the place for you to look!

The town of Sullivan, located in the heart of New York State, is filled with recreational facilities, business enterprises, religious centers, historical museums and civic and cultural opportunities. The community is comprised of rich agricultural lands, business centers and plenty of parks and other areas for the many residents to gather.

The *Chittenango-Bridgeport Times* covers the village of Chittenango and the Madison County side of the hamlet of Bridgeport.

The coverage area also includes Chittenango Station and Lakeport, as well as news of Kirkville, Perryville, Cazenovia, Manlius and Canastota.

Residents are encouraged to participate in community activities, both to enhance the benefits of the area, and to enrich their own lives.

If You Haven't Visited Us Lately, Here's What You're Missing!

Town of Sullivan Parks and Recreation

7507 Lakeport Rd., Chittenango; 687-3471

Open weekdays 9 a.m. to 4:30 p.m.

A variety of programs are offered throughout the year. Registration takes place at the office, at special registration nights, and through the mail. Call the office for specific programming information.

Sullivan Community Park: Lake Street, Chittenango, open from 9 a.m. to dusk year-round; restrooms are available; fishing is allowed in park pond April 17 to Sept. 30.

Chapman Park: Route 31 between Bridgeport and Lakeport, open from 9 a.m. to 8 p.m. May 21 to Oct 2. The park reopens for ice fishing in the winter.

Park Security: Sullivan Park is patrolled by the Village of Chittenango Police Department and has a caretaker on premises. Chapman Park is patrolled by the New York State Police and Madison County Sheriff's Department. The town facilities are also monitored daily by park personnel. Telephone, for emergency use only, are available in both parks.

Tennis Courts: Each park has three public tennis courts open during park hours. Recreational leagues and lessons may limit the use of courts at certain times.

Ball Fields: Sullivan Park has a softball field. Chapman Park has a softball field, two baseball fields and two soccer fields. League games have priority on all fields.

The Town of Sullivan Parks and Recreation Department and the Sullivan Community Council promote and provide recreational opportunities for youth through

seniors. They welcome comments and suggestions on new or existing programs.

Libraries

The Town of Sullivan Free Library:
The library has branches on McDonnell Street in Chittenango and North Road in Bridgeport. Nina Hanson is librarian. There are 31,000 holdings and a circulation of 75,000 items per year.

Both libraries are part of the Mid-York Library System. Both are fully automated.

Both libraries offer books on tape, videos for those who join the club (for a small fee), children's programs, craft programs for children, and tax forms. The Bridgeport Library has an Apple computer and both libraries plan to add computers as funds become available. Bridgeport also has a volunteer available to help with taxes.
